

Natural Stone

UNILOCK®

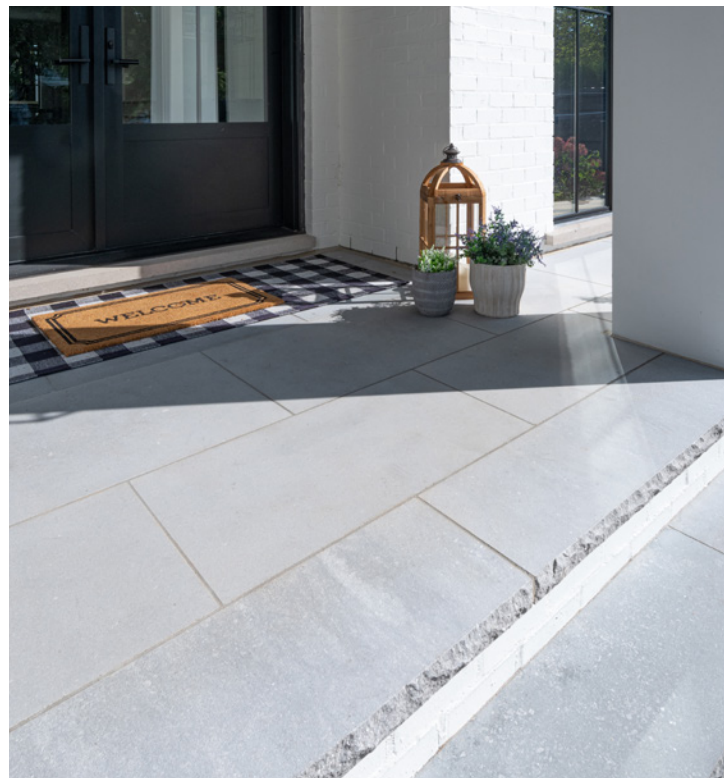

Aesthetically Beautiful

Selected based on its low water absorption, freeze-thaw durability and flexural strength, Natural Stone from Unilock is precisely cut, calibrated and finished with enhanced surface treatments. With a wide selection of pedestrian slabs , coping and steps, these products are beautiful alone, or in combination with other Unilock products.

UNILOCK®

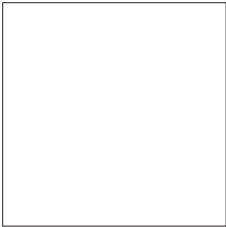

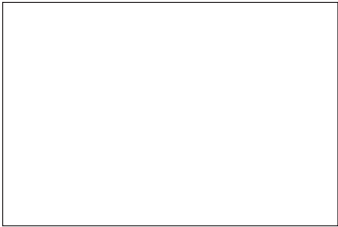

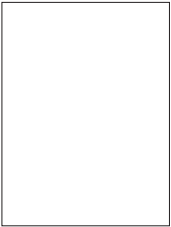

The long-term performance and slip-resistance of Natural Stone from Unilock® make it an excellent choice for many applications.
